INGREDIENTS

- 10cl Lager
- 1cl 1883 Lemon syrup
- 3cl Dry white wine

Cerveoise is a legendary drink, but very few people know about it - or thus drink it. Here is a way to bring it up to date.

INSTRUCTIONS

Pour the syrup and white wine in a shot glass, and pour the beer in a Tumbler. Pour the former in the latter - and down in one. A Jagerbomb-style domino trick is a possibility.
